CORONAVIRUS

In this business concern we adopt the precautions suggested by the health authorities

We thoroughly clean work and serving surfaces with chlorine and alcohol-based products

We provide hydroalcoholic solutions for hand washing

Important health and hygiene measures to be observed

• Wash your hands thoroughly

• Keep a distance of at least one meter between people

• Cover your nose and mouth in case you cough or sneeze

• Do not touch your eyes, nose or mouth with your hands

• Avoid hugs and handshakes

• Avoid promiscuous use of bottles and glasses

• Avoid close contact with people suffering from acute respiratory infections

• Do not take antiviral drugs or antibiotics unless prescribed by a doctor or health care professional

• In all social contacts, use a mask as an additional measure to other hygiene-health protection measures
